

Ledges Pool Swim Lessons

Ledges Pool is a private membership pool

We believe that the best learning takes place while having fun. Therefore our classes emphasize games that reinforce certain skills. Our classes are small so that your child can receive individual attention while still having fun with other children of similar age and skills.

Our program focuses on the fundamentals of swimming to provide your child with lifelong skills and an appreciation of water. All of our classes are taught by qualified & experienced instructors.

New for 2019: Sunday Night Swim Lessons!
