

Kindergarten Snow Day Activities (2022-2023)

(Please refer to the 2nd page of this document for info. about contacting your child's teacher if you have questions.)

Complete 1 activity from each box in the grid below.

READING and WRITING

- Build a fort inside and read a book. Discuss your favorite part.
- Form letters with legos, play-doh, pipe cleaners, beans, or any small objects.
- Listen to someone read a story OR listen to a story on [storylineonline.net](https://www.storylineonline.net). Talk to a grown up about your favorite part of the story.
- Read a story from one of the completed Superkids workbooks you have brought home.

MATH

- Play a board game or card game.
- Gather 20 small items at your house. Sort the items 3 different ways (size, color, shape, etc.).
- Form numbers or shapes with legos, play-doh, pipe cleaners, beans, or any small objects.
- Practice counting to 75.
- Watch this [Shape Video](#) and find 2D shapes in your house (circles, squares, triangles, rectangles, etc.).
- Watch this [Shape Video](#) and find 3D shapes in your house (sphere, cylinder, cube, and cone).
- Put together a puzzle.
