

Birth to Five Illinois is reimagining a more equitable Early Childhood Education and Care (ECEC) system that ensures family and community voice is centered and prioritized at every level of decision-making.

We are looking for a diverse group of parents/family members caring for a child under the age of 8 who are passionate about creating more opportunities for young children and families in your region.

We ask family members to serve a full 2 year-term if possible. You will have the option to commit for 1 year. You will be expected to attend approximately 2 meetings per month and will be compensated for your time.
