

We are so excited to get this school year in motion and continue to eagerly prepare for a great launch! Here are this week's updates:

For everyone:

- There will be no further changes to learning environments or class lists.

For In-Person learners:

- The I-90 overpass bridge on Elevator heading east to our Ledgewood and Stone Creek Campus is currently closed and slated to be closed through November due to needed repair. **Please practice patience and alternative routes via Hamborg to the South and via Love/Warbler's Way to the North of campus prior to the first day of school.**
- Bus postcards will be arriving to your homes next week by mail.
- The first week of school we will be practicing our bus dismissal process to ensure physical distancing and getting our students used to this routine. We will begin loading at 2:00 PM and send buses as soon as they are loaded. **This will distort the PM drop off time by as much as 20 minutes.** Please be prepared to wait at your child's stop and be patient as we adjust our timing over the week.
- Please ensure that your child can be self sufficient when it comes to food containers and packaging for lunch. We will be there to help but want to reduce any risk possible. Also, remember to pack utensils and napkins for your child if they bring lunch from home.
- Our food service team has sack lunch options that are *healthy and free of hassle*. Check out the lunch news [here](#).
- RMS breakfast information can be found [here](#).

For Remote learners:

- Our food service team has sack lunch options that are *healthy, free of hassle and can be ordered for pick up weekly*. Check out how, [here](#).
- RMS breakfast *can be ordered for pick up weekly*. Information can be found [here](#).

If you do not receive any of the following today by 7 PM, please contact the Building Principal via email, including your child's grade and first/last name.

- Teacher Assignment (LW, SC, KS)
- Open Parent Portal for RMS student schedules. New students will receive instructions to receive a schedule on Monday during Supply Pick up.
- Building Orientation presentation

Our previous updates can be found on www.kinn131.org for Supply info and Virtual Meet and Greet! Watch your email for more information next week in regards to Daily Student Pre-Certification.
