

# Kinnikinnick CCSD #131

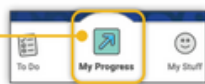

Winter Edition

## How can you help your child achieve on grade level status?

Research shows that students achieve greater gains when they use I-Ready Personalized Instruction for 30–49 minutes per subject per week and pass 70% or more of their lessons. Have your child log into THEIR Google account to access I-Ready and show you!

Where can my student and I see the progress being made?

You and your student can monitor progress by clicking on **My Progress** in the bottom navigation bar.

On the My Progress page, you will be able to see:

1. **Time-On-Task:** The number of minutes your student has spent this week (Monday–Sunday) on *I-Ready Personalized Instruction*
2. **Lessons Passed:** The total number of lessons your student has passed this school year
3. **Lesson Streak:** How many lessons your student has passed in a row
4. **Completed Work:** The name and quiz score for each lesson your student has taken

## Focus on Your Child's Wellbeing

The Hononegah feeder schools remain committed to providing family education series in areas that are impacting our community.

We have two family workshops planned for February and March. We hope that you will attend.

"Over the past two years, I have attended these events and I can tell you as a parent of two school age children, they have provided extremely valuable information and tips that my family could put into action immediately."  
~Supt. Freedlund

**Feb 28th 6–7:30 PM**

**Stephen Mack Middle School Library**

**The ABCs of social-emotional learning:  
Autonomy, Belonging & Competence.**

SEL Coaches Megan Genens and Christie Miklas will present on social-emotional learning and provide strategies to help parents support their children at home!

Also, mark your calendar for "Keeping Our Kids CyberSafe", March 16th, 6–8 PM @SMMS

## 2023–2024 School Calendar

The 2023–24 school calendar is under one last review and will be voted on by the BOE at the February 21st meeting. As soon as it is approved, we will make sure to send it out so that everyone can begin planning accordingly.

## Master Facility Planning

The Kinnikinnick School Board maintains a prioritized planning list of facility upgrades and renovations for each of our buildings. Safety, efficiency, accessibility and maintenance of our buildings are key to our decision making process. The Board has passed a resolution of intent to issue working cash fund bonds in order to assist in funding for continued HVAC improvements at Ledgewood and Stone Creek Schools as well as assist in funding for smaller maintenance and renovation projects districtwide.

## FRIENDLY REMINDERS

- ✓ Please review the [school calendar](#) for days off and Parent Teacher Conferences in February and March!
- ✓ Check out the [Digital Backpack](#) for fun activities in the community. Emailed every Friday.
