

Join us for the CSI Forensics Camp at RVC Whiz Kids

July 11<sup>th</sup> through 15<sup>th</sup> from 9 am to 12 noon

Here's a quick look at the schedule:

- Monday- go over what forensic scientists do, how we use scientific inquiry to solve crimes and skeletal analysis
- Tuesday- Blood spatter, blood cell structure, blood typing analysis
- Wednesday- Handwriting and forgery analysis, footprint and mammal prints, fingerprint, and lip print analysis
- Thursday- Chemical tests for poisons, pH, and DNA analysis, fibers and hair analysis, and entomology analysis
- Friday- Students will use all their training to analyze a crime scene (non-violent) and determine what occurred

Students anywhere from 2<sup>nd</sup> to 7<sup>th</sup> grade would be perfect age range to enjoy this fun, entertaining, and educational experience. They will receive a binder full of materials all week long with their own crime scene kit to keep.

To sign up, use Online Services at

<http://online.rockvalleycollege.edu/WebAdvisor/WebAdvisor?TYPE=M&PID=CORE-WBMAIN&TOKENIDX=3175288907>. Choose the yellow community education link and search WIZ-820-JULY (5547).

Or if it's easier, call the Whiz Kids office at 815-921-3903/3900 and ask for the forensics course.
