

Do you know a GEM?

(a person that Goes the Extra Mile)

We are pretty sure you do! Do you know someone that sends in extra project supplies, planned a great classroom party, rolled up their sleeves to help with classroom projects, assist in keeping the library neat, stopped by to help students open packages at lunch, chaperoned a field trip, helped your child choose just the right Christmas gift at Santa Shoppe, made your preschooler more comfortable at screening time, lent a hand at Fun Fair, made sure your child's hair was just right for pictures? The PTO would like to recognize these special people in our life . Your Gem can be a teacher, staff, volunteer or a student.

Please take a few minutes to let that special someone know how much they are appreciated. GEM nominees will be honored in a special way at our volunteer appreciation reception on May 8th at 7:00pm at Roscoe Middle School/Cafeteria.

So go ahead...let someone know you noticed them Going the Extra Mile to make our schools are a wonderful place to grow and learn. Please return to school BY APRIL 25 – THANK YOU!

Nominee's name / story:

Please use the back of this form if needed...

Can you help us contact them? (any information you can provide us would be appreciated)

Your Name _____ Your Phone# _____ Your E-Mail _____

Their Child's Teacher _____ School _____
