

# Come and join us!

The Roscoe Cub Scouts would like to invite you to join Pack 620. We welcome all who are in Kindergarten through 5th grade who are interested in:

- Outdoor Activities (i.e. Camping, hiking, biking, etc...)
- Trying New Things
- Learning Life Skills
- Becoming Good Citizens

The Cub Scout program embraces family participation in order to give our scouts the experiences they love.

## LEADERSHIP POSITION ROLES

Cubs are placed in dens based upon their grade level. Den leaders are gracious parent volunteers who guide dens through the fully prescribed courses called adventures. No experience is necessary to be a leader, or committee member. This is a volunteer led program and is the backbone to a successful pack. The more parent volunteers in any pack, the more successful the pack is the more enjoyable the program year is for the Scouts and their parents. All leaders have plenty of resources to learn and get support from.

## HOW WE OPERATE

Den meetings are usually held weekly or twice a month at minimum and cover the respective ranks adventures. Pack meetings are held on the third Monday of the month and review pack related activities and have events for the Scouts. Committee meetings are generally held the Thursday before the Pack meeting to finalize details for upcoming events.

with a family member. Dens enter the cars

## PINEWOOD DERBY

This is one of the packs biggest attractions. Scouts are given a wooden block where they must design and carve their derby car

in heats and prizes are awarded to the fastest, the slowest, the most creative and many more! The derby is typically held at the end of January or the beginning of February.

## FAMILY CAMPING

Family camping is held toward the beginning and end of the program year. This is a chance for all family members to experience nature together and have a good time with each other, helping our Scouts to learn about the outdoors.

## DAY & OVERNIGHT CAMPING

Day camp is a day time activity that starts in the morning and ends in the afternoon. Overnight camp is where the Scouts get to pitch a tent and sleep overnight. Day camp is in July. During these program opportunities, scouts are able to complete adventures, achieving rank requirements and receiving belt loops. Some of the fun activities include archery, bb shooting, knot tying, and so much more!

## YOUTH PROTECTION

We treat the safety of our Cub Scouts families very seriously and our leaders are required to complete yearly training to ensure we hold ourselves and each other accountable to the safety of everyone in the Pack.
