

March 10, 2019

Dear Families of Kinnikinnick 131 School District,

Does your family own a business? Do you or your spouse have a side business that is amazing? Would you be interested in having your business recognized district-wide? If you answered yes to any of the questions above, please consider donating to Teacher/Staff Appreciation Week prizes!!

Teacher/Staff Appreciation week, scheduled for May 6-May 10, is filled with luncheons, treats, and PRIZES!! Throughout the week, we give away gift cards, merchandise, and services generously donated by businesses like yours. This is a wonderful opportunity to show the entire staff how much we appreciate their hard work!! On behalf of the Roscoe PTO, please consider donating towards daily drawings for the staff.

We would greatly appreciate any donation you can make. Should you make a donation for Teacher/Staff Appreciation Week, your business will be recognized in the Digital Backpack and in the Staff Workrooms throughout the district. Contributions are tax deductible. A receipt with Tax ID can be provided upon request.

The donation can come in a variety of shapes and sizes:

1. Monetary donation with which the PTO will either put together a basket filled with goodies or purchase a gift card sponsored by your company.
2. A basket filled with a theme of your choice. It could be filled with the products your company sells or items of your choice sponsored by your business.
3. Gift Card sponsored by your company.

If you are interested in supporting our wonderful teachers/staff, please have your donation prepared by April 22, 2019. If you have any questions or need further information, please contact Kayla Cotone at 815-543-0861. On behalf of the students, parents, and faculty of Kinnikinnick 131, thank you for your support!!

Sincerely,

Roscoe PTO
