

Stars of Tomorrow

After School Drama

The Stars of Tomorrow drama workshop is a program that exists to provide theatrical experience for young people. The workshops will be led by instructors with professional experience in theater & musical productions. Students will learn techniques to help with confidence, public speaking, and memorization while preparing a play which will be performed for the parents on the final day.

Each session will have a new play, tailor made for the class!

For questions, contact Patty at 815.547.0707
