

KINNIKINNICK SCHOOL DISTRICT 131
STATE HEALTH REQUIREMENTS FOR STUDENTS

Dear Parents:

Students entering **Early Childhood/ Preschool, Kindergarten, 6th grade, and any students transferring from out-of-state must have a state physical examination and required immunizations completed before being admitted to school** per Illinois School Code Chapter 122, par. 27-8.1.

EARLY CHILDHOOD/ PRESCHOOL HEALTH REQUIREMENTS:

1. Required immunizations and state physical exam with documented diabetic risk assessment and lead screening.
2. Polio vaccine: 3 or more doses administered at intervals of no less than four weeks apart.
3. DTP/DTaP vaccine (Diphtheria, Tetanus, Pertussis): 4 doses: the first 3 doses no less than four weeks apart.
The interval between the 3rd and 4th or final dose must be at least six months.
4. MMR vaccine (Measles, Mumps, Rubella): 1 dose on or after the 1st birthday.
5. Hib (Haemophilus influenzae type b) immunization: according to Hib schedule.
6. Hepatitis B vaccine: 3 doses at appropriate intervals.
7. Varicella (chickenpox) vaccine: 1 dose on or after the first birthday or proof of disease verified by a physician.
8. Pneumococcal vaccine series completed or proof of 1 dose after 24 months of age.
9. A parent /guardian signature is required on the Health History section of the physical exam form. Please sign where indicated before turning in.

KINDERGARTEN HEALTH REQUIREMENTS:

1. Required immunizations and state physical exam with documented diabetic risk assessment and lead screening.
2. DTP and Polio Boosters must be given on or after the 4th birthday.
3. MMR: 2 doses required:
1st dose on or after 12 months of age. 2nd dose at least one month later.
4. Varicella vaccine: 2 doses - or proof of the disease.
1st dose on or after 12 months of age. 2nd dose at least one month later.
5. If required immunizations have not been completed at the time of the physical exam, a written schedule from your physician to complete the required doses must be presented with the physical exam at the time of registration.
6. Proof of dental exam (or waiver) prior to May 15th of the school year.
7. Proof of a vision exam (or waiver) by October 15th of the school year.
8. A parent /guardian signature is required on the Health History section of the physical exam form. Please sign where indicated before turning in.

2ND GRADE HEALTH REQUIREMENTS:

1. Proof of dental exam or waiver prior to May 15th of the school year.

6TH GRADE HEALTH REQUIREMENTS:

1. Required immunizations and state physical exam with documented diabetic risk assessment. Be sure the physician designates approval for participation in P.E. **and** interscholastic sports by checking the appropriate boxes on the physical exam form. This fulfills the sports physical requirement for 6th grade.
2. Meningitis vaccine.
3. Hepatitis B vaccine series.
4. Tdap booster.
5. Varicella vaccine (Chickenpox): 2 doses - or proof of the disease.
6. Proof of dental examination (or waiver) prior to May 15th of the school year.
7. A parent /guardian signature is required on the Health History section of the physical exam form. Please sign where indicated before turning in.

We urge you to make your medical, dental and eye appointments as soon as possible. **Students will be subject to exclusion from school if the state physical examination and/or immunization requirements have not been completed before the first scheduled day of school.**
