

Adopt the BMO

Community Project – Clean Up Day

- > The purpose of this project is to give individuals with autism spectrum disorder, their families, and peers an opportunity to meet other families, provide social and vocational opportunities; and help make the BMO look nice for the IceHogs Home Opener that night.
- > We have selected the BMO to thank the Rockford IceHogs for their own going support of our program and partnering with us on several initiatives for the past eight years.
- > Parents and guardians must stay the entire time with their child, teen or young adult who is participating and are more than welcome to help too.
- > Please wear clothes that you do not care if they get dirty. If you have work gloves, please bring those too.
