Exhibit - Website Listing of Development and Training Completed by Board Members

District webmaster: Post this template (including the explanatory paragraphs) on the District's website and update the table as information is provided.

All Illinois school board members must complete State-mandated training in *professional development leadership* (PDLT) (P.A. 97-8) and the *Open Meetings Act* (OMA) (P.A. 97-504). State-mandated training will also be required for board members who want to vote upon a dismissal based upon the Performance Evaluation Reform Act. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains State-mandated training requirements and other professional development activities that were completed by each Board member. When the Illinois Association of School Boards (IASB) provided the training, the acronym "IASB" follows the listed activity.

(IASB) is a voluntary organization of local boards of education dedicated to strengthening the Illinois public schools through local citizen control. Although not a part of State government, IASB is organized by member school boards as a private not-for-profit corporation under authority granted by Article 23 of the School Code. The mission of the IASB is excellence in local school governance in support of quality public education.
