

University of Illinois College of Medicine Rockford
Medical Evaluation Response Initiative Team (MERIT) presents:

Body Safety & Beyond

Thursday, April 30, 2026 | 6 p.m.-7:30 p.m.

Robert J. Vickrey, MD Auditorium
University of Illinois Chicago Rockford campus
1601 Parkview Ave., Rockford, IL

Join the University of Illinois College of Medicine Rockford MERIT Program for an evening with Kimberly King, a best-selling author, M.S. Ed., and award-winning prevention educator.

Body Safety & Beyond is for parents, caregivers, and anyone raising children, especially children ages 0–14.

This engaging program moves beyond “stranger danger” to provide practical, age-appropriate tools that help build children’s confidence, safety, and communication skills.
