

## Kinnikinnick CCSD #131 8/21/20 Update

**Be Prepared:** Please prepare a plan now if our district, building, or your child's class has to transition to remote learning. Review the [re-opening plan](#) for how quarantine/isolation will be handled. All students will be assigned an IPAD/Chromebook.

**Skilled Mask-Wearers:** Have your child practice wearing a mask that covers both the child's nose and mouth to make sure it fits well. The IL Emergency Management Agency has provided a mask for each child. If you would like to pick it up in advance of the first day, please stop by a school office the week of August 31-September 4th 8 AM to 4 PM. **Please note: "gaiters" and masks with exhalation valves or vents are no longer acceptable forms of face coverings per the Illinois Department of Public Health & CDC. (Updated 8/18/20)**

**Lanyards:** Every student will be provided with a lanyard that will hold an ID badge. This lanyard can also double as a "mask holder" for when the mask is not worn (while eating or socially distanced outside) and will be kept at school.

**No Visitors:** We will limit all visitors to our building this school year. On the first day of school, you will not be able to park and walk your child into the building. All students will be dropped off in the morning drop-off line or by school bus. Our staff will be ready to lead all children to the correct classrooms. We promise to care and comfort all children!

### AM/PM Drop/Pick up Off Times:

- Remind students when entering the school, leave at least 6 steps between you and the next student.
