

## **A Referendum Thank You**

The Kinnikinnick School District extends its sincere appreciation to our community for supporting the referendum that was approved on March 18, 2014. The passage of this referendum will make a significant difference in the district's ability to maintain quality educational programs, services and opportunities for children, offset decreasing and inadequate State revenues, and minimize the impact of future budget reductions on student programs.

The school district extends its thanks to so many individuals from our community whose tireless efforts and passion helped pass this referendum in which every vote counted. Special thanks go out to the Kinnikinnick School Board of Education and the Citizens for Kinnikinnick Schools Committee for their support for and endorsement of the passage of the referendum.

The Kinnikinnick School District has a long tradition of providing a high quality education that encourages all students to meet their highest potential. We look forward to creating a bright future for our students and our community. "Thank You" for your support of the Kinnikinnick Schools.

Sincerely,

Keli Freedlund  
Superintendent
